SUPPORTERS SUMMIT

The Supporters Summit is the chance for supporters that want to work with the Club on improving and developing fan experience and fan engagement. We're looking for supporters that want to help to drive positive change at the football club and lead the conversations that have an impact on our fanbase. Patrick Shanahan and Matt Hancock will be facilitating the Supporters Summit which will be held in the boardroom at Vale Park with topics such as ticketing, family experience, supporter engagement and wider club improvements playing a part of the discussions. Community and CSR Director, Matt Hancock said:

"We're really looking forward to involving as many supporters as possible in helping us drive our fan engagement and fan experience forward. We want to involve supporters that are solution based to help us develop ideas and concepts but also to be there to sense check where our priorities should be as a football club. We will of course continue to work with Port Vale Supporters Club but this gives us another avenue in ensuring that we are getting a representative feel for our supporters and we would welcome Valiants of all ages and backgrounds to come forward to ensure decisions are being made not only for the best of Port Vale Football Club but for the wider fan base and community too. Following the first session, we will be creating an action plan on how we can continue to actively engage with all supporters on decisions at Port Vale Football Club that directly impact our fans."

MATCH DAY

FAMILY FRIENDLY

PVFC is proud to have achieved 'Family Excellence Status' by the EFL in the 22/23 season. If you're looking for a family-friendly experience, the Hamil Road end is the perfect choice. This is specially designated as the family area, and within the stand, you'll find two blocks reserved as the family section. Please be aware that there is no further right to appeal once a final decision has been made. Charity Requests

We receive numerous requests from charitable organisations, and while we aim to support as many as possible, it is impossible to fulfill all requests. Our primary focus is on supporting local charities. When emailing us, please provide the charity number and additional information regarding the charity and the specific request.

Work Experience Policy:

We receive a significant number of requests from individuals seeking work experience placements with the club. While we strive to accommodate these requests, please understand that availability is limited due to time and resource constraints and therefore we cannot accommodate all requests.

Dissertation/Questionnaire Requests

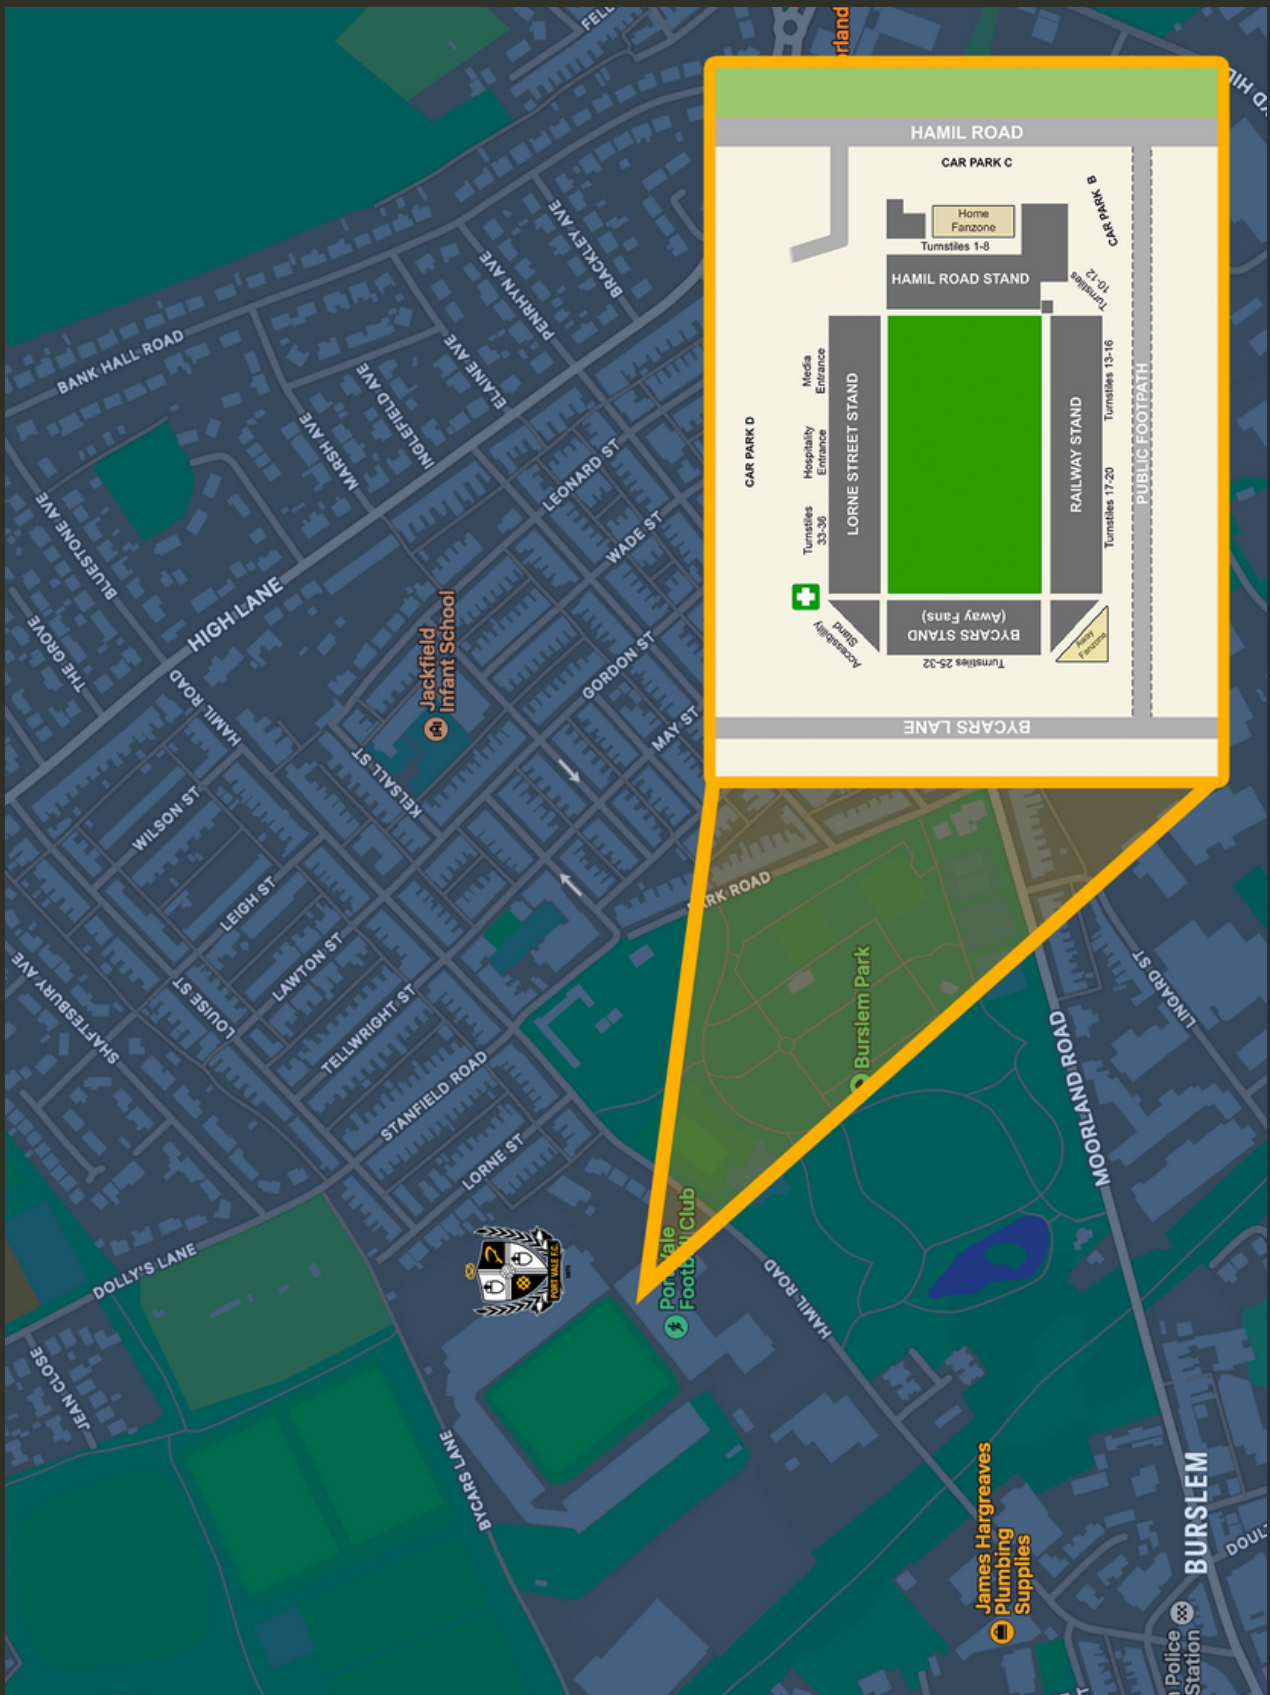

The club receives many requests relating to assisting with dissertations and/or questionnaires. However, we kindly request that these requests come through official channels, such as universities, rather than individual students. Once received, the club will review and assess the requests accordingly.

Trial Requests

Throughout the year, Port Vale holds trials for aspiring players. If you wish to be considered for a trial, please submit your football curriculum vitae (CV) to the club either by post at Port Vale FC Ltd, Vale Park, Hamil Road, Stoke-on-Trent ST6 1AW or by email to enquiries@portvale.co.uk. If the club finds your CV promising, we will contact you or your nominated representative regarding a potential trial opportunity.
